

International Business Support

With its specialist expertise and ability to provide financial payments, the Osaka City Shinkin Bank is able to offer comprehensive support, which is vital for SMEs looking overseas. The Bank helps businesses looking to become involved in international trade, or trying to establish a local subsidiary as a base for manufacture or sales.

In 2011 the Bank established the International Department Asia Business Support Desk within the International Department to provide specialist support for customers wishing to expand abroad. Both branch staff and staff from the aforementioned support desk are able to offer speedy support on a face-to-face basis through visits and remote interaction.

For customers looking to engage in international transactions, expand their foreign sales channels, or improve their results by establishing and operating a foreign subsidiary, the Osaka City Shinkin Bank—the customer's international operations bank of choice—welcomes inquiries on these and any other aspect of international business.
